NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Schedule 3 (*Provisions for Meetings of Unitholders*) to the trust deed dated 25 August 2010 (as amended or supplemented from time to time, the “**Trust Deed**”) between the Bank and BNY Mellon Corporate Trustee Services Limited (formerly BNY Corporate Trustee Services Limited) (the “**Trustee**”) constituting the Recovery Units, a meeting (the “**Unitholders’ Meeting**”) of the holders of the Recovery Units (the “**Unitholders**”) convened by the Bank will be held at 12:00 pm (London time) on 16 November 2012 at the offices of White & Case LLP at 5 Old Broad Street, London EC2N 1DW, United Kingdom for the purpose of considering and, if thought fit, passing the following resolution, which will be proposed as an Extraordinary Resolution in accordance with the provisions of the Trust Deed. If within fifteen minutes after such time the quorum specified in the Trust Deed is not present, the Unitholders’ Meeting will be adjourned until such date (not less than 14 nor more than 42 days later) and time and place as the chairman of the Unitholders’ Meeting may decide. Unless the context otherwise requires, terms used in this Notice of Unitholders’ Meeting (including in the Extraordinary Resolution) shall bear the meanings given to them in the Trust Deed, the terms and conditions of the Recovery Units and/or the information memorandum to be published by the Bank prior to the Unitholders’ Meeting (the “**Information Memorandum**”).

Unitholders should be aware that the Information Memorandum is not available as at the date of this Notice of Unitholders’ Meeting but that it will be made available to Unitholders prior to the Unitholders’ Meeting.

The terms of the Extraordinary Resolution are as follows:

“THAT this Meeting of the holders (the “**Unitholders**”) of the U.S.\$5,221,494,216 aggregate initial Reference Amount of Recovery Units (together, the “**Recovery Units**”) of “BTA Bank” JSC (the “**Bank**”) constituted by the trust deed dated 25 August 2010 (as amended or supplemented from time to time, the “**Trust Deed**”) between the Bank and BNY Mellon Corporate Trustee Services Limited (formerly BNY Corporate Trustee Services Limited), as trustee (the “**Trustee**”) hereby:

- (1) approves the Restructuring Plan;

- (6) discharges, exonerates and indemnifies the Trustee from and against all liability for which it may have become or may become responsible under the Trust Deed or the Recovery Units in connection the Claimants' Meeting, the Restructuring or this Extraordinary Resolution and the consummation of the Restructuring and the other matters referred to in this Extraordinary Resolution; and
- (7) authorises and requests the Trustee to concur in and consent to the above matters and to do all things and take any action which is, in the sole discretion of the Trustee, necessary or expedient to carry out and give effect to this Extraordinary Resolution;

all as provided in and subject to the conditions specified in the Restructuring Plan.

Terms used in this resolution and defined in or as provided in the Notice of Unitholders' Meeting convening this Meeting are used herein as so defined."

Background

The Extraordinary Resolution forms part of an overall restructuring of certain financial indebtedness of the Bank as will be more fully described in the Information Memorandum. The Restructuring Plan will require the instruction of the Trustee by all of the individual classes of Notes constituted by the Trust Deed for the Trustee to vote at the Claimants' Meeting in favour of the Restructuring Plan. If the Restructuring Plan is approved at the Claimants' Meeting, then the rights of the Unitholders against the Bank and against Samruk-Kazyna under its Undertaking will be extinguished in consideration of provision of the Entitlements by the Bank (as will be set out in the Information Memorandum).

If the Extraordinary Resolution is passed, it shall be binding on all the Unitholders, whether or not present at the Unitholders' Meeting, and each of them shall be bound to give effect to it accordingly. If the Extraordinary Resolution is not passed, Unitholders who cast votes in favour of or against the Extraordinary Resolution at the Unitholders' Meeting will be deemed to have cast such votes in favour of or against the Restructuring Plan at the Claimants' Meeting in respect of the Reference Amount of the relevant Recovery Units, together with such interest thereon as may be specified in the Information Memorandum, in accordance with whether the relevant votes were cast in favour of or against the Extraordinary Resolution at the Unitholders' Meeting.

Unitholders should note that, where the Extraordinary Resolution is not passed at the Unitholders' Meeting, the process by which votes cast in favour of or against the Extraordinary Resolution are deemed to be cast in favour of or against the Restructuring Plan at the Claimants' Meeting is not governed by the provisions of the Trust Deed or the Principal Agency Agreement and, for the avoidance of doubt, the Trustee and the Principal Paying and Transfer Agent shall have no liability to Unitholders in respect of any actions taken or not taken by either of them in such circumstances.

The Information Memorandum, a copy of which will be available as indicated below, will explain in further detail the background to, and reasons for, the Unitholders' Meeting.

Disclosure of Contact Details

Beneficial Owners (as defined below) or Unitholders on behalf of Beneficial Owners may register their contact details with the Bank's financial advisers by contacting bta.roadshow@lazard.fr. This will facilitate communication with, and the distribution of roadshow invitations to, participants in the Restructuring.

Documents Available for Inspection

Unitholders may, at any time during normal business hours on any weekday (not including Saturdays, Sundays and bank and other public holidays) on and from the date of this Notice and prior to the Unitholders' Meeting, inspect at the offices of the Trustee, The Bank of New York Mellon, London Branch, as Principal Paying and Transfer Agent (the "**Principal Paying and Transfer Agent**"), and at the Unitholders' Meeting at the offices of White & Case LLP referred to above for 15 minutes before the Unitholders' Meeting, copies of the following documents:

- (a) the Trust Deed and amendments or supplements thereto;
- (b) the Agency Agreement dated 25 August 2010;
- (c) the Information Memorandum and any supplements thereto (to be made available upon publication by the Bank); and

(d) this Notice.

Furthermore, the Information Memorandum and any supplements thereto (upon their publication) will be made available on the Bank's website at <http://www.bta.kz/en/investor/>.

General

Unitholders should pay particular attention to the requirements in respect of a quorum for the Unitholders' Meeting and any adjourned Unitholders' Meeting (if applicable) which are set out below. In light of such requirements, Unitholders are strongly urged either to attend the Unitholders' Meeting or to take the steps referred to below as soon as possible, in order to be represented by proxy at the Unitholders' Meeting.

Neither the Trustee nor the Bank's financial or legal advisers (the "Bank's Advisers") nor any member of the steering committee of its creditors (the "Steering Committee") or the Steering Committee's legal or financial advisers (the "Steering Committee's Advisers") expresses any view or makes any recommendation as to the merits of the Extraordinary Resolution or any view as to whether the Unitholders, whether individually or as a class, would be acting in their best interests in voting for or against the Extraordinary Resolution, but the Trustee has authorised it to be stated that it has no objection to the Extraordinary Resolution being put to Unitholders for their consideration. The Trustee has not been involved in formulating or negotiating the Extraordinary Resolution relating to the Recovery Units or the Information Memorandum and, in accordance with the normal practice, makes no representation that all relevant information has been disclosed to the Unitholders in or pursuant to the Information Memorandum and this Notice. The Trustee has not reviewed the Information Memorandum.

Neither the Trustee nor the Bank's Advisers nor any member of the Steering Committee or the Steering Committee's Advisers have verified any of the statements made in the Information Memorandum or in this Notice.

Nothing in the Information Memorandum or this Notice of the Unitholders' Meeting should be construed as a recommendation to the Unitholders from the Trustee, the Bank's Advisers, the Steering Committee or the Steering Committee's Advisers to vote for or against the Extraordinary Resolution. Accordingly, each of the Bank, the Trustee, the Bank's Advisers, the Steering Committee and the Steering Committee's Advisers recommends that Unitholders who are unsure of the consequences of the Extraordinary Resolution being passed or not being passed should seek their own financial and legal advice.

The members of the Steering Committee are not bound to accept or reject or recommend this or any subsequent proposal set out as part of the Restructuring. The members of the Steering Committee are not acting as fiduciary or adviser to any person, make no representations and have no duties or obligations to any person in connection with the Restructuring (save as pursuant to obligations arising under any investment management agreement).

Voting

The provisions governing the convening and holding of the Unitholders' Meeting and for giving and revoking electronic instructions are set out in Schedule 3 (*Provisions for Meetings of Unitholders*) to the Trust Deed, a copy of which is available for inspection as described above.

Each person (a "**Beneficial Owner**") who is the owner of a particular Reference Amount of the Recovery Units, as shown in the records of Euroclear Bank SA/NV or Clearstream Banking, *société anonyme* (the "**Designated Clearing Systems**", each a "**Designated Clearing System**") or its accountholders ("**Direct Participants**") should note that such person will only be entitled to attend

and vote at the Unitholders' Meeting or appoint a proxy to do so in accordance with the procedures set out below.

1. A Beneficial Owner who wishes to cause the appointment of a proxy to attend and vote at the Unitholders' Meeting must submit, or arrange for its Direct Participant to submit on its behalf, on or before 12:00 pm (London time) on 14 November 2012 (the "**Voting Deadline**") (and within the time limit specified by the relevant Designated Clearing System), a duly completed electronic instruction in the form of an authenticated SWIFT message or a message through EUCLID Server (an "**Electronic Instruction**") in accordance with the requirements of the relevant Designated Clearing System and in the manner specified herein.

Beneficial Owners should check with their bank, securities broker or any other intermediary through which they hold their Recovery Units whether such bank, securities broker or other intermediary will apply deadlines for participation which are earlier than those set out in this Notice and, if so, should follow those deadlines.

Each Electronic Instruction must:

- (i) state the Reference Amount of the Recovery Units held by the Beneficial Owner on whose behalf the Electronic Instruction has been submitted; and
- (ii) state whether the relevant Beneficial Owner wishes to vote in favour of or against the proposed Extraordinary Resolution as set out above.

Only Direct Participants may submit Electronic Instructions. Each Beneficial Owner that is not a Direct Participant must arrange for the Direct Participant through which it holds its Recovery Units to submit an Electronic Instruction on its behalf to the relevant Designated Clearing System.

Direct Participants holding Recovery Units on behalf of more than one Beneficial Owner may submit a separate Electronic Instruction on behalf of each Beneficial Owner.

The receipt of such Electronic Instruction by the relevant Designated Clearing System will be acknowledged by such Designated Clearing System and will result in the blocking until the conclusion of the Unitholders' Meeting (or any adjourned Unitholders' Meeting) of all Recovery Units held by the Beneficial Owner on whose behalf such Electronic Instruction was submitted. Direct Participants must take the appropriate steps through the relevant Designated Clearing System to ensure that no transfers may be effected in relation to such Recovery Units at any time whilst they are blocked, in accordance with the requirements of the relevant Designated Clearing System and the deadlines required by such Designated Clearing System. By blocking such Recovery Units in the relevant Designated Clearing System, each Direct Participant will be deemed to consent to the relevant Designated Clearing System providing details concerning such Direct Participant's identity to, amongst others, the Bank, the Trustee and the Principal Paying and Transfer Agent.

An Electronic Instruction may not be revoked or altered during the 48 hours before the time fixed for the Unitholders' Meeting.

Any Electronic Instruction submitted in respect of the Unitholders' Meeting shall apply to, and be valid for the purposes of, any adjourned Unitholders' Meeting and there shall be no need to submit a new Electronic Instruction in respect of any adjourned Unitholders' Meeting.

By submitting or delivering a duly completed Electronic Instruction to the relevant Designated Clearing System, the Direct Participant (i) instructs the Principal Paying and Transfer Agent to complete and sign a block voting instruction in accordance with Schedule 3

(Provisions for Meetings of Unitholders) to the Trust Deed appointing the Principal Paying and Transfer Agent to act as proxy and to vote at the Unitholders' Meeting (or any adjourned Unitholders' Meeting) in accordance with the instructions contained in the Electronic Instruction(s) and (ii) confirms that the Trustee is authorised and directed on its behalf to complete any Claim Form required by the Bank in respect of the Claimants' Meeting in respect of the Recovery Units and to make the representations, warranties and undertakings contained therein and/or in the Information Memorandum on behalf of the Direct Participants and the relevant Beneficial Owners. See also "*If the Extraordinary Resolution is not Passed*" below.

2. Alternatively, Beneficial Owners and Direct Participants who wish to attend and vote at the Unitholders' Meeting or any adjourned Unitholders' Meeting in person (or who wish a different person to be appointed as their proxy to attend and vote) must produce at such meeting (or procure that their proxies produce) a valid voting certificate or certificates issued by the Principal Paying and Transfer Agent.

Only Direct Participants may obtain voting certificates. Each Beneficial Owner that is not a Direct Participant must arrange for the Direct Participant through which it holds its Recovery Units to obtain a voting certificate in accordance with the procedures set out below.

A Direct Participant may obtain a voting certificate in respect of its Recovery Units from the Principal Paying and Transfer Agent by arranging for its Recovery Units to be blocked in an account with the Designated Clearing System (unless the Recovery Units are the subject of a block voting instruction which has been issued and is outstanding in respect of the Unitholders' Meeting or any adjourned Unitholders' Meeting) not later than the Voting Deadline (and within the relevant time limit specified by the Designated Clearing System), upon terms that the Recovery Units will not cease to be so blocked until the first to occur of (i) the conclusion of the Unitholders' Meeting (or any adjourned Unitholders' Meeting) and (ii) the surrender of the voting certificate to the Principal Paying and Transfer Agent and notification by the Principal Paying and Transfer Agent to the Designated Clearing System of such surrender or the compliance in such other manner with the rules of the Designated Clearing System.

Such voting certificate will entitle the holder thereof to attend and vote at the Unitholders' Meeting (or any adjourned Unitholders' Meeting) and, by requesting a voting certificate, the Direct Participant will be treated as having instructed the Trustee to complete any Claim Form required by the Bank in respect of the Recovery Units and to make the representations, warranties and undertakings contained therein and/or in the Information Memorandum on behalf of the Direct Participants and the relevant Beneficial Owners.

A Direct Participant not wishing to attend and vote at the Unitholders' Meeting (or any adjourned Unitholders' Meeting) in person but who wishes a different person to be appointed as its proxy to attend and vote may deliver the voting certificate(s) to the person whom it wishes to attend on its behalf.

3. In either case, Beneficial Owners (or a Direct Participant itself) must have made arrangements to vote with the relevant Designated Clearing System by not later than 48 hours before the time fixed for the Unitholders' Meeting (or any adjourned Unitholders' Meeting) and within the relevant time limit specified by the relevant Designated Clearing System and request or make arrangements for the relevant Designated Clearing System to block the Recovery Units in the relevant Direct Participant's account and to hold the same to the order or under the control of the Principal Paying and Transfer Agent until the earlier of: (i) the conclusion of the Unitholders' Meeting (or any adjourned Unitholders' Meeting), (ii) the surrender of the voting certificate to the Principal Paying and Transfer Agent and notification by the Principal Paying and Transfer Agent to the Designated Clearing System of such surrender or the

compliance in such other manner with the rules of the Designated Clearing System or (iii) upon such Recovery Units(s) ceasing to be held to its order or under its control in accordance with the procedures of the Designated Clearing System and with the agreement of the Principal Paying and Transfer Agent (the “**Blocking Period**”).

Voting and Quorum

The Extraordinary Resolution may only be considered at the Unitholders’ Meeting if the Unitholders’ Meeting is quorate. The Unitholders’ Meeting will be quorate under the following conditions:

Unitholders’ Meeting

Quorum Requirement

Original Unitholders’ Meeting	Two or more persons present in person holding Recovery Units or being proxies and holding or representing in the aggregate not less than 75 per cent. in number of the Recovery Units for the time being outstanding.
Adjourned Unitholders’ Meeting	Two or more persons present in person holding Recovery Units or being proxies and holding or representing in the aggregate not less than 25 per cent. in number of the Recovery Units for the time being outstanding.

If, within fifteen minutes after the time appointed for the Unitholders’ Meeting, a quorum is not present, the Unitholders’ Meeting shall stand adjourned until a date which shall be not less than 14 days but not more than 42 days as determined by the chairman of the Unitholders’ Meeting prior to the adjournment of such meeting.

Notice of any adjourned Unitholders’ Meeting shall be given in the same manner as notice of the original Unitholders’ Meeting save that at least 10 days’ notice, containing the information required for the notice of the original meeting shall be given. Such notice shall also state the quorum required at such adjourned Unitholders’ Meeting.

Votes in favour of the Extraordinary Resolution must represent a majority of not less than 75 per cent. of the votes cast for the Extraordinary Resolution to be duly passed.

Each question submitted to a meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, the Bank, the Trustee or one or more Persons representing two per cent. of the aggregate number of the Recovery Units. Unless a poll is demanded, a declaration by the chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.

If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairman directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.

A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.

On a show of hands every Person who is present in person and who produces a Recovery Unit or a voting certificate or is a proxy has one vote. On a poll every such Person has one vote for each Recovery Unit so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a Person entitled to more than one vote need not use them all or cast them all in the same way.

In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

Effect of Voting

By submitting or delivering an Electronic Instruction and/or casting a vote at the Unitholders' Meeting, each Beneficial Owner and/or Direct Participant:

- (a) represents, warrants and undertakes to the Bank, the Trustee and the Principal Paying and Transfer Agent that the Recovery Units which are the subject of the Electronic Instruction or voting certificate are, at the time of submission or delivery of the Electronic Instruction, and will continue to be, until the end of the Unitholders' Meeting or any adjournment thereof, held by it or on its behalf at Euroclear or Clearstream, Luxembourg;
- (b) represents, warrants and undertakes to the Bank, the Trustee and the Principal Paying and Transfer Agent that the Recovery Units which are the subject of the Electronic Instruction or the voting certificate have been blocked (and will remain blocked) to the order of the Registrar in the securities account to which such Recovery Units are credited in the relevant Clearing System for the duration of the Blocking Period;
- (c) acknowledges that it has received and reviewed the terms of the notice described herein;
- (d) consents and authorises the relevant Clearing System to disclose their holdings (provided, for the avoidance of doubt, that such disclosure shall relate only to the holdings of Direct Participants and there shall be no requirement to disclose the identity or holdings of Beneficial Owners) and Clearing Systems account details to the Bank and the Registrar at the time such Beneficial Owner submits or delivers the Electronic Instruction;
- (e) acknowledges that none of the Bank, the Trustee, the Registrar, the Principal Paying and Transfer Agent or any of their respective affiliates, directors or employees has made any recommendation as to whether, or how, to vote in relation to the Extraordinary Resolution, and it represents that it has made its own decision with regard to voting based on any legal, tax or financial advice that it has deemed necessary to seek;
- (f) acknowledges that all authority conferred or agreed to be conferred pursuant to these acknowledgements, representations, warranties and undertakings shall be binding upon the successors, assigns, heirs, executors, trustees in bankruptcy and legal representatives of the Beneficial Owner and/or Direct Participant and shall not be affected by, and shall survive, the death or incapacity of such Beneficial Owner and/or Direct Participant; and
- (g) acknowledges that, other than as set out herein, no information has been provided to it by the Bank, the Trustee, the Registrar, the Principal Paying and Transfer Agent or any of their respective affiliates, directors or employees with regard to the tax consequences to the Beneficial Owner and/or the Direct Participant arising from voting in favour of the Extraordinary Resolution.

Publication of Notice of Results

If the Extraordinary Resolution is passed, the Bank will give notice of the passing to Unitholders within 14 days, but failure to do so will not invalidate the Extraordinary Resolution.

Binding Effect of the Extraordinary Resolution

If the Extraordinary Resolution is passed, it shall be binding on all the Unitholders, whether or not present at the Unitholders' Meeting and each of them shall be bound to give effect to it accordingly.

If the Extraordinary Resolution is not Passed

Where an Extraordinary Resolution is not passed at the Unitholders' Meeting, then the Trustee shall not cast any vote in respect of the Recovery Units at the Claimants' Meeting and each Unitholder, Direct Participant and/or Beneficial Owner who has cast a vote in favour of or against the Extraordinary Resolution at the Unitholders' Meeting (whether by proxy or in person through a valid voting certificate) or submitted an Electronic Instruction or arranged for an Electronic Instruction to be submitted on its behalf shall be deemed:

- (a) to have cast the votes in favour of or against the Extraordinary Resolution in favour of or against the Restructuring Plan at the Claimants' Meeting in respect of the Reference Amount of the relevant Recovery Units in accordance with whether the relevant votes were cast in favour of or against the Extraordinary Resolution at the Unitholders' Meeting; and
- (b) to have filed any Claim Form required by the Bank in respect of the Reference Amount of the relevant Recovery Units and/or to have instructed The Bank of New York Mellon, as delivery agent, to submit on its behalf any such Claim Form in respect of the aggregate Reference Amount of the Recovery Units held by all Unitholders who cast votes at the Unitholders' Meetings.

Unitholders should note that, where the Extraordinary Resolution is not passed at the Unitholders' Meeting, the process by which votes cast in favour of or against the Extraordinary Resolution are deemed to be cast in favour of or against the Restructuring Plan at the Claimants' Meeting is not governed by the provisions of the Trust Deed or the Agency Agreement and, for the avoidance of doubt, the Trustee and the Principal Paying and Transfer Agent shall have no liability to Unitholders in respect of any actions taken or not taken by either of them in such circumstances.
